Living Off-Campus

Alverno is located in a southwest neighborhood of Milwaukee. Nearby towns, such as Jackson Park, Honey Creek Manor, Wilson Park and Lincoln Village, offer numerous apartment communities. Additional areas to consider include East Side, Bayview and Shorewood. Apartments closer to campus tend to be more affordable than the average rent in Milwaukee. The Tenant Resource Center can help you understand your rights as a tenant.

When hunting for an apartment, keep the following in mind:

- How long is the lease, and is the length of the lease flexible?
- What utilities are included in the monthly rent (heat, air-conditioning, cable, Wi-Fi, etc.)?

- Is there a laundry facility in the building? If so, is it free, coin-operated, etc.?
- How long is the commute to campus?
- Is there ample parking?
- Does the property include any special amenities such as a fitness center or pool?

This [checklist](#) can help ensure a relatively stress-free move.
